Message from the President

Communication is the key to any successful organization. But not only is communication important it is how you say things and how people perceive what you say. Communication also comes in many forms – from email, letter or phone call. Many of our members are computer savvy and have the ability to explore the world of the internet, but others do not have that luxury. Some people are good at email and do most of their corresponding in that form. Others like the personal touch of the phone or some just like the handwritten letter. Regardless of the type of communication you use, use it wisely.

So many times we are in a hurry and do things without thinking twice. I know that is true of me. I try to multi task and do several things at the same time. In our day of more work with less people it is usually a typical thing to multi task. Recently I was listening to the House of Representatives and the Senate – it is fun trying to listen to both, answering the phone, responding to emails and doing my typical daily work. I was emailing several people and I'm sure you know how we sometimes type one thing and think we are saying something else. I'm guilty. I did just that and in doing that I sent the email without rereading it and ended up not saying exactly what I had intended to say. It hurt the person's feelings which then made me feel bad.

I know we are all guilty of doing that – sending an email that wasn't exactly what we intended on saying, or not proofing it and finding errors. We all need to take some time when we communicate to make sure what we are saying is what we really are meaning to say.

We also need to be more tolerable to different types of communication. Some people can read the email and remember it all. Others need to print it out and then read it and have it available to reread at a later time. Our newsletter is a good example of communication for our association. We are trying to put many useful articles in it that people will want to come back and reread them again. By having the newsletter online you can go back and reference any of the articles that were submitted. If you have suggestions for articles, please let Julie know.

Next time you are really busy and are about to send an email – make sure you take the time to reread it and make sure it says exactly what you are trying to say and not missing some of the vital information. Remember good communication is the key to having a successful association.

DHAEOP

The 30 members of the Dogwood Hills Association of Educational Office Professionals (DHAEOP) have embraced the business of the 2009 — 2010 school year. We held a Bowling Night and had a great time relaxing. We have had great success for our scholarship fundraiser with the sale of sweatshirts, long sleeve sports — style shirts, jackets, and pullovers. We will award two \$1000 scholarships to two students enrolled in a Business or Education post — high school training program. We have also held two regular meetings this Fall, one on September 22nd and another on October 19th to discuss the Fall Convention. Tina Shelden and Michelle Arnold, co- hosts of the Fall Convention, did an excellent job and we the ladies of DHAEOP were very proud to be a part of the process. Everyone had a great time.

DHAEOP will have 3 members on the MAEOP 2009 — 2010 board. Michelle Arnold was elected Recording Secretary, Eileen Walker was elected Board Member and Becky O'Riley was elected President — Elect. The ladies were installed to their new positions at the Fall Convention. Congratulations to all the new MAEOP Board members.

We will meet on February 16th to discuss plans for the Spring Workshop and Bosses Night. We will host our Bosses Night in May to celebrate our school district and salute our Principals and Administration. We will also install new officers to the DHAEOP board. I have had a great experience as President of DHAEOP and wish great success to the new Board.

Columbia AEOP

CAEOP — Columbia Association of Educational Office Professionals — 45 members strong!!

CAEOP decided to try a candle fundraiser this year through At Home America. The fundraiser was a huge success. CAEOP members sold 196 candles. This was above our goal of 150 candles. The total amount raised for our scholarship fund was \$867.69 plus an additional \$180.00 of donations. With the amount raised plus donations and membership CAEOP will be able to award three \$500 scholarships. We are really excited and plan to offer this fundraiser again next year.

In December, CAEOP members met at the Columbia Area Career Center to tour two of their excellent programs. Brook Harlan, Culinary Arts, gave members a tour of the Culinary Arts kitchens and informed members about how the program runs and all the requirements. We were excited to learn that our CACC Culinary Arts program is nationally accredited with the American Culinary Federation. We were also given a tour of the Horticulture Program Greenhouses by Sherie Rodekoher, and then we were allowed to shop for centerpieces, wreaths, and arrangements designed by the students. We finished off our evening with a holiday cookie exchange.

CAEOP started off 2010 with our Soup and Dessert Supper. After getting our fill of delicious soups and desserts, members were invited to attend a special training session on running reports in E — School.

CAEOP held their March meeting at Columbia Public School's newest elementary, Alpha Hart Lewis. We were given a tour of the building and a presentation was given by Dr. Chris Belcher regarding the upcoming bond election.

The PERRYVILLE School District members hosted the October 13, 2009 meeting at Missy's Country Kettle in Perryville, MO. All received a warm welcome and enjoyed a delicious dinner from the buffet.

In the absence of President Leslie Parker, Vice President Peggy Appleton conducted the meeting.

Using a "HANDS" theme, Dorothy Bertrand, assisted by Barb Hagan, installed the following officers for 2009 — 2011:

President — Jan Butler of Charleston;
Vice President — Peggy Appleton of Charleston;
Secretary/Treasurer — Willetta Brookins of Cape Girardeau.

Gifts of appreciation were presented to the officers.

Ongoing membership ideas were shared as to what can be done to continue promoting our association.

The Perryville scholarship committee will select the 2010 recipient.

Members participated in a very spirited bidding process during the Silent Auction, which is the fundraiser held at the fall meetings. Also, there was the 50/50 project. Proceeds from both help fund the scholarship.

CAPE GIRARDEAU members will host the winter meeting.

The CAPE GIRARDEAU members hosted the rescheduled winter meeting on April 13, 2010 at Beef 'O' Brady's in Cape Girardeau, MO. All were welcomed and then enjoyed the delicious food served by 'O' Brady's.

President Jan Butler conducted the meeting, in which ideas were again shared as to how to increase membership and promote our association.

Secretary/Treasurer, Willetta Brookins, reported she had sent in the MAEOP affiliation dues. She distributed copies of the membership list and the Constitution and By-laws.

After the 50/50 fundraiser and take home gifts were given out, the meeting adjourned.

CHARLESTON members will host the May 25, 2010 meeting. Members enjoyed Beef 'O' Brady's so much that they agreed to meet there again in Cape Girardeau, MO.

MIS — SCO — DEAU AEOP sends BEST WISHES to MAEOP OFFICERS and ALL MEMBERS!

MAEOP**Springfield AEOP**

On April 6, 2010 we held our 3rd Annual Secretary's Banquet at the Cox North Fountain room. We had 47 secretaries attending including Board Members. This banquet was sponsored by the SAEOP free-of-charge for all Springfield School District secretaries and was partly funded with the help of The Foundation office. Our theme this year was "YOU'RE WORTH A MILLION", with gold coins, large oversize play money and 100,000 Grand candy bars were our table décor. We had a great menu of pork loin, garlic potatoes, vegetables, pasta salad, tabouli, corn salad, Millionaire Pie, Mamie Eisenhower Million Dollar Brownies and tea. The entertainment was provided by a group of 4 singing bus drivers from our own Transportation Department. They were a huge hit with everyone.

MMAEOP meet every other month during the school year. We are usually found at the local eating places. This year at Christmas we donated toys through the FCCLA group at WM R — 1 entitled "Be An Angel." As fundraisers we sold scrip cards at Christmas and will have concessions during Montgomery County Youth Basketball games. We use the proceeds for scholarships to be given to two graduating seniors entering the business field. This summer we are planning to treat our bosses to a BBQ get together at Julie Blaue's house. We will also be installing our new officers for the term 2010 — 2012. They are as follows:

- Juliann Blaue, President
- Lisa Cunningham, Vice President/Secretary
- Janet Hammond, Treasurer.

NEWS FROM PEERS... by M. Steve Yoakum, Executive Director

As we near the beginning of a new fiscal year, here are some important reminders for changes effective July 1, 2010:

The contribution rate for PEERS members will increase from 6.5% to 6.63%. This same amount is matched by the employer.

New regulations become effective which require a one — month separation from work in order to be eligible for retirement. For members retiring on or after July 1, 2010, termination of employment means that members must::

- End ALL employment with PEERS — covered employers
- Not be under contract for employment with any PEERS — covered employer, and
- Not volunteer or return to work for a PEERS — covered employer until at least one month has lapsed since their effective retirement date.

In addition, all PEERS retirees and employers will be required to maintain a written record of the dates and hours worked after retirement.

On the legislative front, as of the date of this writing, no legislation has passed which would have an impact on PEERS. Legislation (House Bill 2113) has been introduced which would place all new hires in a defined contribution plan instead of the current defined benefit plan. PSRS/PEERS, as well as all of the educational associations, testified in opposition to that legislation. To date, that legislation has not moved out of the House Retirement Committee.

At its' April meeting, the Board of Trustees re — elected Tina Zubeck (the PEERS representative on the Board) as Chair and elected Dr. Aaron Zalis as Vice Chair for the 2010 — 11 school year. The Board also set the interest to be credited to member accounts at 1% for June 30, 2010. Remember that the interest credited to member accounts has no effect on monthly benefit amounts. Because PEERS is a defined benefit plan, benefits are calculated using age, years of service and a formula factor.

Investment markets have continued to rebound so far this year. The investment return for PEERS fiscal year — to — date (July 1, 2009 through mid — April) was in excess of 20%. The professional Investment Staff at PSRS/PEERS will continue to focus on the principles that have served PSRS/PEERS well for the last several years: diversification, sufficient liquidity, risk management, transparency and purchasing relatively cheap assets for the investment portfolio. The Board and Staff firmly believe that this approach, regardless of the market environment, will allow the Systems to build an investment portfolio that should achieve at least an 8% rate of return over a long time horizon with acceptable levels of risk.

For more information on any of the topics discussed here, please visit the PEERS web site at www.psr-peers.org or call our office at 800 — 392 — 6848.

The contribution rate for PEERS members will increase from 6.5% to 6.63%. This same amount is matched by the employer.
